

May we promote a culture of freedom for all

Pray

That we would work to build a culture that recognizes and respects the dignity and freedom of all people.

Reflect

Religious freedom is for everyone. The Church teaches that religious freedom is rooted in the nature of the human person, and therefore it is a fundamental human right. When we speak up for religious freedom, we do so not only for ourselves, but because we are called to defend the dignity of every individual and community that seeks the truth about God, including Muslims, Jews, and others who do not share our Catholic Christian faith.

Act

There are many organizations that work for religious freedom for *all* Americans. Consider signing up to receive newsletters from, and praying for, the efforts of these organizations.
