Pope Francis:

It is my burning desire that, during this Jubilee, the Christian people may reflect on the corporal and spiritual works of mercy ... Jesus introduces us to these works of mercy in his preaching so that we can know whether or not we are living as his disciples.

Singles, Couples, and families, Catholics and other Christians are cordially invited

Cookies and refreshments in the Parish Hall after each evening's talk

Pope Francis:

Let us not forget this word: God never tires of forgiving us! "Well, Father what is the problem?" Well, the problem is that we, ourselves tire, we do not want to ask, we grow weary of asking for forgiveness. He never tires of forgiving, but at times we get tired of asking for forgiveness.
