What is Cursillo?

CURSILLOS IN CHRISTIANITY

In today's world, can Christianity penetrate the many areas of secular life? Can it live there? Can it grow there? Can it transform the world in a way that is more fruitful than the past and in keeping with the times? The Cursillo Movement thinks so. It proposes no new type of spirituality, but simply a method through which a person's spirituality may be developed, lived and shared in any area of human life where there are Christians willing to dedicate their lives to God in an ongoing manner.

Cursillo teaches that the Gospel should be proclaimed in very natural ways; i.e., we should be Christ-like as we go about our daily activities, right where God put us. Unfortunately, while most people would like to live their lives in a Christ-like manner, the pressures of the world often make this difficult. Cursillo provides a method (with tools) to meet the challenges and respond to the opportunities presented each day. The method is introduced by a little course.

FORMAT OF THE EXERCISES

Cursillo (pronounced **kur-see-yo**) is a Spanish word meaning "little, or short, course." It begins on a Thursday evening and ends the following Sunday evening. During the three days, those attending live and work together listening to talks given by priests and laypersons. They also share the Eucharist and pray together.

Titles of the talks indicate their content: Ideal, Habitual Grace, The Layperson: A Christian in the World, Actual Grace, Piety, Study, Sacraments, Action, Obstacles to a Life of Grace, Leaders, Study of the Environment, Life in Grace, Christianity in Action, the Cursillista Beyond the Cursillo, and Total Security. Each talk is followed by a discussion period.

THE FOURTH DAY

Cursillo recognizes the importance of persevering beyond the Weekend itself, so its design includes a method for increasing and continuing the conversion process beyond the Three Days by providing a means for living the "fourth day" (each day after the Three Day Weekend is referred to as the "fourth day"). In the Cursillo Movement, the community spirit is continued in the fourth day through a monthly gathering or reunion called "Ultreya", during which we encourage one another to continue to grow in Faith, Hope, and Love (Ultreya means "onward"; we encourage one another onward ... to continue/persevere). In addition, reunions of smaller groups of friends (Group Reunion) are available weekly for fostering spiritual growth in the individual members, helping each to better take Christ out into the world.

CHRISTIANIZING ENVIRONMENTS

The Cursillo Movement can have very positive results in the spiritual revitalization of the world ... the "New Evangelization." The Christ-likeness in a few good people is contagious. The transference of Christ's values to others in one's family, school, place of business, etc., is the Christianizing of environments the Cursillo promotes.

The goal of the Cursillo Movement is that Christ be the prime influence in society. Its primary objectives are to develop in Christians a consciousness of their power and mission to become leaders in the work of Christian renewal, and to sustain them as they provide a Christian leaven in civic, social and economic life. This "Christianizing of environments" is what the Cursillo Movement is all about.

CURSILLO

Cursillistas (persons who have lived a Three Day Cursillo Weekend) believe that Christianity CAN penetrate the many areas of secular life. Cursillo is not a new type of spirituality, but simply a method through which our spirituality is developed and lived – right where we are!!

A Cursillo Weekend's aim is to concentrate closely on the Person and teachings of Jesus Christ. Truly, a Cursillo is an encounter with Christ ... a real meeting with Christ. Cursillo gives those who participate a living understanding of basic Catholic truths and the desire to serve the Church. What's more, it provides a means to continue the Christian formation that begins on the Weekend.
