From a Former Abortion Provider ... “On Oct. 23, I went and did my last abortions on just a few patients. And I knew it would be the last day. And that evening, I said No to money and Yes to God. The next day I went down to church and confessed with my mouth that Jesus was Lord. Then, on the way out of church, I saw this blue brochure for a crisis pregnancy center. I just looked at it and kind of felt that this was what I should be involved with. The next day I called up the center and told them I was a doctor in Atlanta and had done many, many thousands of abortions, and that I came to Christ the day before and now wanted to do everything to save babies instead of take their lives.” – *Dr. Joseph Randall*.

Missionary Coop Appeal ... Each year over 150 missionary dioceses and religious orders request permission to come to our diocese to give an appeal for financial support. This appeal is a major source of funding for these missionaries, and the monies collected in our parish go directly to that missionary diocese or religious for the poor that they serve. These funds are used to feed, house and educate the poor and orphans, provide medical care, build churches, schools, clinics, catechetical training centers, dig wells, etc., and educate candidates for the priesthood and religious life and provide many other necessities. Please be generous!

Fr. Joseph Srambical V.C., a Vincentian Missionary Priest from India will be at St. Elizabeth Ann Seton Church to speak to us on Saturday / Sunday, August 10-11, 2019. Looking Back and Moving Forward

In the August 20, 2006 Bulletin Fr. Walsh wrote: *“Thanks to a couple in the parish for helping me install the new mailbox! We’re the envy of the neighborhood - all two of us. The mailbox is made of steel and we put it in concrete. It isn’t vandal resistant, but it will punish someone who tries to ride over it with a car or beat it with a baseball bat. At least we’ve evened the playing field. The new playground equipment looks great. Kids were here this past week, spreading out the sand. Thanks so much for this gift to the parish. I’ve enjoyed sweet corn, tomatoes, a pumpkin, and fresh rolls from the gardens and kitchens of our parish. Thank you so much. Also, thank you to the parishioner who donated the meat that I found in the freezer in our garage. Wonderful! The carpet project we discussed at our Council Meeting involves submitting a proposal to a foundation. We’ll have to wait until next spring to submit our request. In the meantime, kindly take a look at the carpet. I think something needs to be done and we might want to position ourselves to take care of it this coming spring, even if it exceeds the amount the foundation is able to give us. A blessed week to you all. Thanks again. God Bless. Father Walsh”*

In the August 27, 2006 Bulletin Fr. Walsh wrote: *“This week the sprinkler company installed two additional rows of sprinklers on the north side of the property along Walker Road, from the sign on west to Echo Drive. The company also replaced the soaker hose that waters the shrubs and bushes around the house and office. This should cut down on some of the water collecting in the storm cellar and in the crawl space beneath the house. I spoke with Father Brouillette about the problem. He thought it was a high water table problem and advised sump pumps in both spaces. I am in consultation with Pat Clinch about the problem and we plan to get it resolved. Peace - Fr. Walsh”*

In the September 3, 2006 Bulletin Fr. Walsh wrote: *“My thanks to the laborers here at Saint Elizabeth Ann Seton Parish for their dedicated service to the Church. To Billie, Joan, Mike, Kathy, Al and Charles and Toni. There are many volunteers who are part of the parish workforce as well. I’ve met some of you and continue to be surprised when another one of you shows up to carry out a task that you have assumed and that you love to offer to the Church. Thank you so much for the role you play in building up and caring for our Parish Community. This coming Wednesday and Thursday, I will be offering Mass with the students, faculty and administration at the N.P. Catholic Schools. I’m looking forward to being with them and supporting the school in this way. Thank you parents who are able to participate in the Catholic School program here in North Platte. God reward you and bless your children. The plan is that I will offer Mass on the first Wednesday and Thursday of each month. Charlie of Charlie’s Plumbing is now looking into the water problem under the house. I’m waiting on bids for a sump pump and the system to discharge the water away from the house. In the meantime, I’m learning the rules of sump pumps, fans, clay bases, water tables and patience. Please pray for me! God bless you all! Father Walsh”*

TREASURES FROM OUR TRADITION ... The pilgrim experience of going by foot to Santiago de Compostela, the shrine of St. James, reached its high point this week at the feast of the Apostle, with tens of thousands of pilgrims on the road. Typically, they cover twelve to twenty miles a day through rough territory. The difficult journey and the often primitive lodging facilities are made bearable by the joy of the pilgrims, their songs and prayers. When their journey is documented properly, they receive the scallop shell, a reminder not only of James the fisherman, but also his call to fish for human beings and to baptize the nations. In the Middle Ages, those who wore this badge on their hats were granted lodging and hospitality wherever they went. Next to the palm, the sign of a Jerusalem pilgrim, the scallop shell was most highly prized. In the Middle Ages, some people so enjoyed the pilgrim road, although it was filled with discomfort and danger, that they spent most of their lives on the road. Today, some people take up the route for exercise, but are drawn gradually into the spirituality of the journey. As you make your summer travels, always fold in an element of pilgrimage: a long walk through beautiful countryside, a visit to a church, a prayer of gratitude for your journey through life's hills and valleys. —James Field, Copyright © J. S. Paluch Co.

ASKING FOR HELP ... The Beatitudes praise the poor in spirit. One characteristic of those who are poor in spirit is their ability to ask for help; they know when others can provide what they lack. Today's readings encourage us to practice poverty in spirit by asking God for what we need. What could be more natural than to ask God for good things? God is, after all, the inventor of goodness and the giver of all good things. Asking God for help puts us in conversation with God. These conversations take many forms. The reading from Genesis shows Abraham bantering with God like a skilled negotiator, while Saint Paul's letter to the Colossians praises God for answering us even when we don't deserve it. In Saint Luke's Gospel, Jesus not only gives us words to use in our conversations with God (the Our Father), but also promises that God always listens to our prayers. —Copyright © J. S. Paluch Co.

DECEPTION ... Indeed, it is not in human nature to deceive others for any long time, without in a measure deceiving ourselves, too. —John Henry Newman

ADVERSITY ... Adversity has the effect of eliciting talents which, in prosperous circumstances, would have lain dormant. —Horace

Pray for our Seminarians: at St. Gregory the Great Seminary, at St. Charles Borromeo Seminary, at Mount St. Mary Seminary. Pray for the Priests teaching in the Seminary and the Formation faculty and the staff.

HOLY FATHER'S INTENTIONS ...

(July) ... Universal – That those who administer justice may work with integrity, and that the injustice which prevails in the world may not have the last word.

(August) ... Evangelization – That families, through their life of prayer and love, become ever more clearly "schools of true human growth".
