

# St. Elizabeth Ann Seton Parish

2/17/2011

**Wish List** ... At a joint meeting of the Parish Building Committee, Parish Council, and Finance Committee on August 2, 2010, it was unanimously agreed that we would not have any “memorial plaques” in the new Church. The parishioners on these committees think that a gift to the Lord through the Church is known by the Lord and we don’t want to distract from the beauty of any of the various items with plaques. Perhaps it would be helpful to reflect that when we give a gift to a family member or a friend, we don’t put a plaque on it. We give the gift to them to be used and enjoyed by them. So, too, when we give a gift to the Lord through the Church, we give it to the Church just as a gift.

In many parishes, parishioners give an annual gift to the Church at Thanksgiving, Christmas, Easter, or other times of the year. Sometimes people give memorials to the Church and occasionally people like to give gifts to the Church to be used in a particular way, or contribute toward a particular item. If you would like to make a gift, the Parish Building Committee has identified some “wish list” items. These are items that we are going to include in the new Church and we would like to invite parishioners to consider donating toward the cost, either in whole or in part. Your gifts would be much appreciated. Three of the items listed below have already been spoken for by parishioners and/or friends.

## New Church Wish List

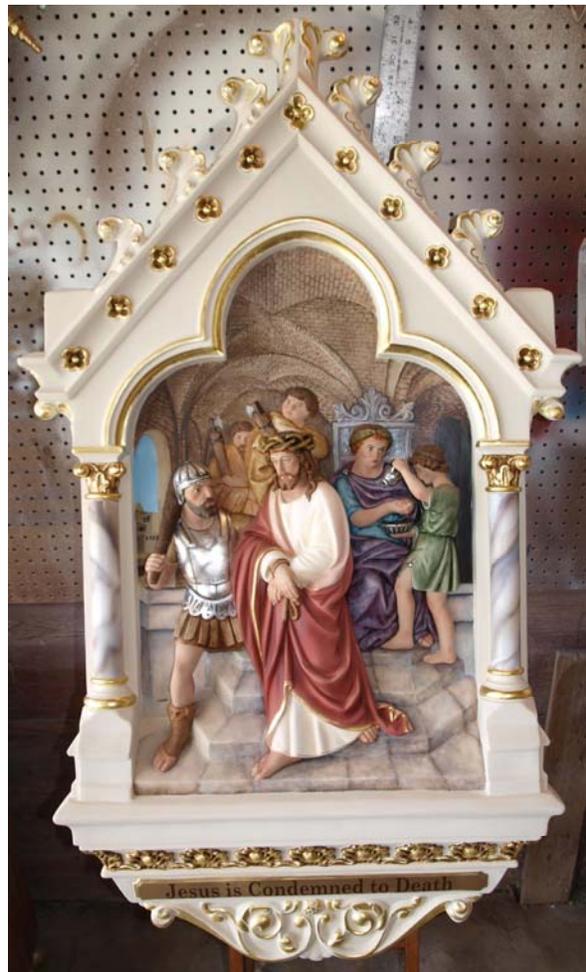

Would you consider giving a gift for your parish?  
Any amount you designate for these items will be put toward the total amount for the items.  
Please contact Father Mark Seiker (308-534-5461)
