**NEBRASKA**  
**Walk for Life**  
**With Guest Speaker Ashley Bratcher**  
*Award-winning actress of "Unplanned" and "Princess Cut"*  
 Ashley starred in "Unplanned" despite being told that Hollywood would blacklist her for doing an openly pro-life role. Later, when Hollywood stars threatened to boycott her home state of Georgia because of a new pro-life law, Ashley fought back, even calling boycott leader Alyssa Milano personally. In addition, Ashley, whose own mother visited an abortion clinic before changing her mind and carrying her to term, has partnered with Heartbeat International for a scholarship program so women with unplanned pregnancies can continue their education. Come support the pro-life cause and listen to this brave woman's heart-lifting story!
