"We are facing an enormous and dramatic clash between good and evil, death and life, the 'culture of death' and the 'culture of life'. We find ourselves not only faced with but necessarily in the midst of this conflict: we are all involved and we all share in it, with the inescapable responsibility of choosing to be unconditionally pro-life."
 - Pope St. John Paul II

NEBRASKA
Walk for Life
With Guest Speaker Ashley Bratcher
Award-winning actress of "Unplanned" and "Princess Cut"
 Ashley starred in "Unplanned" despite being told that Hollywood would blacklist her for doing an openly pro-life role. Later, when Hollywood stars threatened to boycott her home state of Georgia because of a new pro-life law, Ashley fought back, even calling boycott leader Alyssa Milano personally. In addition, Ashley, whose own mother visited an abortion clinic before changing her mind and carrying her to term, has partnered with Heartbeat International for a scholarship program so women with unplanned pregnancies can continue their education.
 Come support the pro-life cause and listen to this brave woman's heart-lifting story!

THE MOST DANGEROUS PLACE FOR AN AFRICAN AMERICAN IS IN THE WOMB

"The great irony is that abortion has done what the Klan only dreamed of.... Roughly 1/4 of the black population is now missing."
