The main speaker that supplies sound to the nave of the church is currently not working. We have started the process to have it repaired, but we do not know how long that will take.

Thanks to those who helped get the organ up to the choir loft, which was gifted to our Parish by St. Patrick's Parish in Paxton.

The Church opposes abortion, but embraces with mercy those who have made this mistake. Let's all take encouragement from these words of Pope John Paul II: "I would now like to say a special word to women who have had an abortion. The Church is aware of the many factors which may have influenced your decision, and she does not doubt that in many cases it was a painful and even shattering decision. The wound in your heart may not yet have healed. Certainly what happened was and remains terribly wrong. But do not give in to discouragement and do not lose hope. Try rather to understand what happened and face it honestly. If you have not already done so, give yourselves over with humility and trust to repentance. The Father of mercies is ready to give you his forgiveness and his peace in the Sacrament of Reconciliation. To the same Father and to his mercy you can with sure hope entrust your child." (The Gospel of Life, #99).

From Fr. Birkel- A Varied Study: Thursday evenings at 6:30pm in the Parish Hall, I will take questions on Scripture or Theology. Instead of presenting a Bible study on a particular path that I might want to talk about, I will make it available for

what you want to know. This will begin Thursday, November 6.
