Potluck on Sunday, June 4 at 5:00pm for all the parish to kick off Summer CCD with the Marian Sisters. Please bring a main dish and side dish/salad/or dessert. Beverages and tableware will be provided.

A CCD teacher was discussing the Ten Commandments with her five and six year olds. After explaining the commandment to “honor” thy Father and thy Mother, she asked, “Is there a commandment that teaches us how to treat our brothers and sisters?” From the back, one little boy (the oldest of a family) answered, “Thou shall not kill—at least that is what dad and mom say.”

Modern life is busy, and it is relatively easy to forget about God during our daily activities. While it is good to be focused on the task at hand, we should always invite God to be with us, no matter what we are doing. St. Francis de Sales explains this concept in his Introduction to the Devout Life, where he gives an analogy on how to stay focused on God throughout the day. Imitate a little child, whom one sees holding tight with one hand to its father, while with the other it gathers strawberries or blackberries from the wayside hedge. Even so, while you gather and use this world’s goods with one hand, always let the other be fast in your Heavenly Father’s Hand, and look round from time to time to make sure that He is satisfied with what you are doing, at home or abroad. This is a beautiful image, and de Sales explains how to do this in a practical way. When your ordinary work or business is not specially engrossing, let your heart be fixed more on God than on it; and if the work be such as to require your undivided attention, then pause from time to time and look to God, even as navigators who make for the haven they would attain, by looking up at the heavens rather than down upon the deeps on which they sail. So doing, God will work with you, in you, and for you, and your work will be blessed. As you go about your daily work, “pause from time to time and look to God,” offering a short prayer, or simply resting in God’s presence for a few moments. By doing this, all

your activities will be sanctified, and God’s presence will be felt more in your everyday life.
—Philip Kosloski, 11/14/20, *Alateia*

Praise the Holy Trinity: Some truths, like the very existence of God, can be known by human reason alone. Other truths, like the fact that God is One in Three Persons – Father, Son, and Holy Spirit – can only be known if God reveals them to us. We could never conclude on our own that God is a Trinity. Today's Feast is not only an opportunity for thanking God for telling us more about himself. It is an occasion to take courage as we strive for deeper unity within the human family. God reveals himself to us in order to make us more like himself – not just as individuals, but as families, nations, and an international community. We grow in unity as we give ourselves away to one another, just as the Father, Son, and Holy Spirit give themselves to each other completely.

Catholic Daughters are dedicated to our patroness, the Blessed Mother. We strive to be spirit-filled women who love Christ, His Church, our country and all humanity. Women who join Catholic Daughters are those who feel called to prayer and service. It is a special blessing to be a Catholic Daughter and we wish to share this with you. The Catholic Daughters of America 1549 Court of Our Lady of Fatima will meet at 6:00pm Monday, June 5 at St Patrick's Spiritual Life Center. We welcome all ladies of all

parishes and ages to attend and join. Come share your talents and gifts.

Thank you to all who assisted in taking care of the parish and needs while I made retreat. The retreat was all the better knowing that St Elizabeth Ann Seton was in good hands. This was the first year in our collective memory that we as priests found upon our arrivals in each room personalized sent greetings and prayers. It meant a lot to all of us.--- Fr. Rand

Our world is hurting. We all need healing, yet many of us are separated from the very source of our strength. Jesus Christ invites us to return to the source and summit of our faith in the celebration of the Eucharist. The National Eucharistic Revival is a movement to restore understanding and devotion to this great mystery here in the United States by helping us renew our worship of Jesus Christ in the Eucharist. It is just nine days away from beginning on Corpus Christi. Please pray for all parishes and God's people to advance in devotion to the Holy Eucharist and belief in the Real Presence. Begin with your own experience and journey and what you can do to share the message of importance the Holy Eucharist is in your own life.
