Pope Francis: Abortion is a Betrayal of our

Vocation!: “To extinguish life voluntarily in its budding is, in any case, a betrayal of our vocation, in addition to the pact that binds the generations among themselves, a pact that enables us to look ahead with hope. Where there is life, there is hope! However, if life itself is violated in its beginning, what remains is no longer the grateful and amazed reception of the gift, but rather a cold calculation of that we can dispose of. Then life is also reduced to a good of consumption, to be used for ourselves and for others, or discarded. How tragic this vision is, unfortunately, widespread and rooted, and how much suffering it causes the weakest of our brothers!” - Holy Father Praises Work of Italian Pro-Life Movement, 41st National Pro-Life Day in Italy, to be held Sunday, February 3, 2019
